

BENNINGTON COUNTY HABITAT FOR HUMANITY SEEKS CORPORATE SPONSORS

FOR 2nd ANNUAL STUDENT MODEL HOME BUILDING COMPETITION

Bennington County Habitat for Humanity seeks corporate sponsors for its 2022 model home-building competition among Bennington County students. Students will compete across three age categories (Grades K-4; Grades 5-8; and Grades 9-12) to build the best model home using everyday household materials. The focus of the 2022 contest will be the exterior of each home, with attention paid to sustainability and landscape design.

The competition will be open to all students in Bennington County. Students can build their model homes as a class, group of friends, or individually. Each entry will provide a :30 second to :60 second video showing a tour of their model home, which will be housed on BCHH's Facebook page

Winners will be determined by a special panel of judges and announced during an awards ceremony on Zoom. This ceremony will also include a highlight video produced by BCHH that shows all entries, and highlights the winners. The competition will be promoted to local media including Bennington Banner, Manchester Journal, Vermont News, GNAT, local TV affiliates, etc.

Bennington County Habitat for Humanity's 2021 model home-building contest raised \$20,000, and drew almost 50 entries from local students. We hope to engage even more students this year, and raise more money to support affordable housing in Bennington County. Please see the attached list of sponsor levels and benefits.

Bennington County Habitat for Humanity is a 501(c)(3) organization, and 100% of net proceeds going to Bennington County Habitat for Humanity. All donations are fully tax- deductible.

This is a great way to support affordable housing while engaging with Bennington County's youth. Please contact David Baer at 646-295-6315 or dbaer11@yahoo.com for more information.
